THE HAPPY ENDING

Two words: advantage you! Global procurement means best-in-class buying and cost optimisation.

With StratGifts you can pre-book your order for up to one year. We can also import directly based on the order size and lead-time availability. Our robust systems and networks can also take care of your foreseeable future needs with advance development of ideas and concepts.

Besides, the IGC network also empowers StratGifts to combine orders across networks syncing for multiple clients materials procurement, production grouping and transport consolidation establishing cost cutting. And because regional orders are bundled, lower freight cost is the norm for us rather than exception.
